TACHYON CHAMBER FOR HEALING & ANTI-AGING OPENS IN FARMINGTON, CT

A revolutionary new energy medicine modality is now open inside the Malibu Fitness Gym in Farmington, CT. Celeste E Mattingly, LCSW, a 70-year-old psychotherapist and quantum energy healing practitioner, is taking her healing work to a whole new level. The addition of a Tachyon Chamber for Healing & Anti-aging meditation sessions has been Celeste's dream since she began working with Tachyon Living products in 2018. Celeste says, "Providing state-of-the-art energy medicine with Tachyon has no comparison. There is nothing like it on the planet. Tachyon particles exist around us at all times as the Life Force, Chi, or Prana. Tachyon particles travel faster than the speed of light, so they are regarded as hypothetical in Newtonian psychics, but they exist in the quantum realm. Quantum physics has recognized Tachyon particles as the bridge between all frequencies and Source. These self-organizing sub-atomic particles traveling faster than the speed of light can be harnessed, concentrated, and infused into matter. Once infused, physical objects emit spiritual energy and temporarily suspend negative influences, such as electromagnetic fields (EMFs), air pollution, pesticides, GMOs, chronic stress, negative emotions, and entropy. Quantum Physicists identify this as the Zero Point Energy Field, from whence all Creation arises."

The Tachyon Chamber pictured above contains over 150 lbs. of Tachyonized crystals and products designed to emit the highest concentration of Tachyon energy possible. Participants report experiencing everything from deep relaxation, stress, and pain relief to reversal of medical conditions.

Tachyon Chamber Healing and Anti-aging meditation sessions cost \$3.00 per minute and are available in increments of 30, 45, 60, or 90 minutes with pre-recorded specially prepared music.

Celeste says, "*Tachyon immediately resonated with me! I know it is an accelerated healing opportunity, as well as a way to assist the evolution of our species to homo-luminous beings. I am thrilled to be announcing the Tachyon Chamber is now up and running!*"
