## **METAPHYSICAL VISIONARY OPENS TACHYON CHAMBER FOR HEALING & ANTI-AGING**

Celeste E Mattingly, LCSW, has been hailed as a metaphysical visionary. She is the creator of Celestial Psychology® and has been incorporating energy healing into her psychotherapy practice for over 20 years. At 70-years-young Celeste is taking her healing work to a whole new level. The addition of a Tachyon Chamber for Healing & Anti-aging meditation sessions has been Celeste's dream since she began working with Tachyon products in 2018. Celeste says, "Providing state-of-the-art energy medicine with Tachyon has no comparison. There is nothing like it on the planet. Tachyon particles exist around us at all times as the Life Force, Chi, or Prana. Tachyon particles travel faster than the speed of light, so they are regarded as hypothetical in Newtonian psychics, but they exist in the quantum realm. Quantum physics has recognized Tachyon particles as the bridge between all frequencies and Source. These self-organizing sub-atomic particles traveling faster than the speed of light can be harnessed, concentrated, and infused into matter. Once infused, physical objects emit spiritual energy and temporarily suspend negative influences, such as electromagnetic fields (EMFs), air pollution, pesticides, GMOs, chronic stress, negative emotions, and entropy. Physicists identify this as the Zero Point Energy Field, from whence all Creation arises."

The Tachyon Chamber pictured above contains over 150 lbs. of Tachyonized crystals and products designed to emit the highest concentration of Tachyon energy possible. Participants report experiencing everything from deep relaxation, stress, and pain relief to reversal of medical conditions.

Tachyon Chamber Healing and Anti-aging meditation sessions cost \$3.00 per minute and are available in increments of 30, 45, 60, or 90 minutes with pre-recorded specially prepared music.

Celeste says, "*Tachyon immediately resonated with me! I know it is an accelerated healing opportunity, as well as a way to assist the evolution of our species to homo-luminous beings. I am thrilled to be announcing the Tachyon Chamber is now up and running!*"
